No More Suffering.

If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thompson, of Spencer, Ia., says: "Have had Dyspepsia for twenty years. My case was almost hopeless. Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it is the only thing that has relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with hopes of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done me any good, and I heartily recommend it. Every person suffering with Indigestion or Dyspepsia should use it." Sold by M. Rose.

WHEAT ALL RIGHT.

The general impression among the farmers seems to be that the rains of last week have materially helped the prospects for wheat next year. While there are some people who still fear that the long drouth has ruined the wheat crop, the majority of those who have investigated conditions are of the opinion that the prospects have been greatly improved by the rain, although the amount of moisture the soil received was very small. Another condition which is regarded as favorable to wheat is that while before the rains fell but little had sprouted, an examination below the surface shows that the roots are growing healthily and that the grains are still alive.—Exchange

In a shooting affray in the village of Neave, Bracken county, Ky., Dr. Edward Courtney killed Dr. John Carney, his former business partner.

Have you seen the handsome display of jewelry, watches, clocks, etc., in the show window at W. T. Webb's?

A NOVEL BALLOT.

We have in our possession the most novel and unprecedented specimen of an election ballot that ever came under our observation. It is a sample of the article used in the recent Republican primary in Owsley county. Each candidate used, in addition to his name, his own special device, and the whole would make a good advertisement for a department store or a menagerie. One man had a pair of boots for his mark, another a plow, one a buffalo and another a bull. One candidate was represented by his wife's photo, though he could never have been elected on her looks, and a rival's emblem was a fat, juicy possum that must have drawn the colored vote. Altogether it was a curiosity well worth preserving.—Exchange.

Lombard.

Miss Vonnie Bloss visited Mrs. McCallister last Sunday.

Mr. B. F. Crisp visited his home in Menifee county Sunday.

Miss Zelma Kring visited Mrs. B. F. Crisp Wednesday night.

Mr. W. M. Scaggs and family moved to Lombard a few days ago.

Mr. Eck Johnson, of Indian Creek, made a flying trip to Clay City Monday.

Thomas Crisp, of Menefee, visited his brother, Frank Crisp, last week.

Mr. Armentage, who has been confined to his bed, has recovered and is ready for work again.

Mr. Spencer, of this place, was attacked with rheumatism and had to quit work.

O. P. Cobb had his leg hurt while handling railroad ties and had to quit work.

E. W. Strack, the paymaster for the Big Woods Lumber Co., has been here for several days.

Mrs. Charles Yarber, who has been sick for several days, is some better.

Miss Mary Parner, of North Fork, left Monday morning for Wisconsin. We hope she will reach her destination safely.

Thomas Moore, a lumber inspector, who has been here for several days, returned to his home at Ashland Thursday morning.

Misses Nettie, Payne Zelma Kring, Ettie Ingram and some more youngsters paid a visit to Mrs. Armentage Tuesday night. Had music and a fine time.

The Lombard Sunday-school pupils met Tuesday night to practice for their Christmas entertainment. It is for the Sunday-school.

Mr. Kring, who recently moved to Lombard, went to work in the chair factory Tuesday morning. He is a fine old gentleman and gets around swifter than some of the young men.

Wiley Salyers has moved from Irvine to Clay City.

FALSE ALARM.

The locomotive that pulls the work train on the L. & E. was stationed here Saturday night, and Will Stoner, colored, was left on it as night watchman, but it is said that he "layed off" long enough to come over in town and get "hoozy" and then proceeded to raise a row with some one when Marshal Johnson took him in tow. However, he was allowed to go back to the engine to call in the regular fireman. He boarded the locomotive and blew four long blasts, which many people mistook for the fire alarm at the planing mill, and many who had retired for the night donned their clothing and rushed down town to see what the trouble was, only to find that it was all brought about by the negro getting too much hooze.

FROZEN TO DEATH.

Elijah Raborn, aged about 32 years, was found frozen to death in a field near his home in Montgomery county, near Kiddville last Saturday. He was a son of Thomas Raborn and was feeble minded. He had been to Kiddville and got lost on his way home and when he sat down to rest became chilled through. He was found frozen still by the searching party.

OTHERS SHOULD DO LIKEWISE

Mr. D. M. Curry, of Davidson, sends \$20 in payment of his and Mr. H. D. Curry's subscription to the bridge fund. Others should do likewise, as the bridge will have to be paid for when completed, which will not be very long now, with favorable weather conditions.

New Idea Woman's Magazine for January.

There are a great many good suggestions on what to wear in the NEW IDEA WOMAN'S MAGAZINE for January. For women, an article on "Negligees" shows three graceful styles in wrappers and dressing-sacks, while for men the subject of "Evening Dress" is thoroughly discussed. Two English cuts show a blouse and a fur sack, such as are being worn across the water, and a bulletin from Paris describes a number of Parisian "creations." In the literary part of the magazine, Mrs. Constance Fuller McIntyre discusses, "The Bachelor Maid" in her vivacious way, while any woman who has ever entered a business office in the capacity of an employee will feel a responsive echo in reading Esperance Goodlove's "The Etiquette of the Business Woman." "The Steerage" describes a unique private antique shop in a weather-bitten barn, and Dr. Arthur W. Yale contributes a chat on "The Trained Nurse in Fact and Fiction." "A Question of Heirlooms" throws a light on the subject of antique furniture. "Perdita" tells of adapting her versatile housekeeping to conditions in Paris and there are three stories for grown-ups and three for little people.

SPOUT SPRING.

Mr. Thos. S. McKinney has been quite ill of rheumatism for several days, but is thought to be some better at this time.

Mr. Henry Tuttle and Miss Dollie Christopher were married Wednesday afternoon, the 14th, at the home of the officiating minister, Rev. B. F. Wright. The bride is the daughter of Mr. W. J. Christopher and is a popular and handsome young lady. The groom is an industrious young farmer and resides near this place. Their many friends extend hearty congratulations, and wish them much happiness.

The Weather Calendar.

The Chattanooga Medicine Co., the manufacturers of Wine of Cardui and Thedford's Black Draught, have just issued the 1905 edition of their Cardui Weather Chart and Calendar. This calendar, with its 13 sheets 13 x 20 inches in size, makes a bright ornament for the wall and is a useful acquisition for any home or office on account of its displayed weather predictions. The prominent numbers can be read across a large room as can the colored signal flags showing the weather conditions for each day. These weather signals illustrate the forecast of Prof. Andrew J. DeVoe, who achieved great prominence by his accurate predictions of the great Galveston, St. Louis and Minnesota storms and cyclones. So great is the popularity of these predictions that they are printed in 2,500,000 of these calendars and in 18,000,000 of the Ladies' Birthday Almanacs, which are issued by the Chattanooga Medicine Co. each year. We understand that a copy of this weather chart and calendar may be secured by sending 10c in stamps to the Chattanooga Medicine Co., Chattanooga, Tenn. Any of our readers who have not secured a copy of the Ladies' Birthday Almanac can get one by sending their address to "Ladies' Birthday Almanac," Chattanooga, Tenn., or by calling on their druggist.

Some of our juvenile citizens seem to be celebrating Christmas ahead of the scheduled time.

Port Arthur does not seem to be in any great hurry to fall, but the Japs would like to get it in their sock as a present from Santa Claus.—Lexington Democrat.

But before the Japs can get it in their sock the Russians must necessarily get it in the neck.

It is high time that the murder of Gov. Goebel was avenged. If Powers had part or lot in it, and The Times believes from the evidence that he had, no consideration should stand in the way of his being tried and condemned as would any other criminal. If he had not there can be no excuse for subjecting him to further loss or liberty or to the stigma of an unclean accusation. The Court of Appeals has made a new trial necessary. It should by every right of justice and every regard for law be final and decisive.—Louisville Times.

Do You Want an Education?

SOME FACTS ABOUT THE CLAY CITY GRADED SCHOOL.

Clay City is located on the L. & E. railroad, between Lexington and Jackson, Ky. The Graded School is the pride of the city and is in a prosperous condition, having an enrollment of about one hundred and fifty pupils.

Strict discipline is enforced, but it is tempered with mildness and kindness. Our course of study will compare favorably with that of any graded school in the State. We strive to obtain thoroughness, however, rather than a smattering knowledge of many things; to be deep, rather than broad. We shall undertake no patent process by which it is supposed that untutored boys and girls may be put into a cramming machine and speedily turned out well educated men and women.

Education is the product of time and hard study. If you wish your children to be well educated, you should give plenty of time in which to train them. We will teach your little children and give them the benefit of careful training in the elementary branches, under an experienced teacher, thus laying the foundation of a good education; we will take pupils in the preparatory department and give them thorough instruction in the ordinary branches of an English education, and we will take more advanced students and train them in the higher studies of the regular college course, including Higher Mathematics, Sciences, French and English Literature, and will furnish them with superior facilities for instruction in Vocal and Instrumental Music.

Your Heart.

When Your Heart Fails to Pump Your Blood, Trouble Results.

Have you heart trouble?

You have, if you find it hard to breathe after walking up stairs, exercising, etc. If you have pain in your left side, in chest, back or shoulder. If you suffer from cold extremities, pale face, blue lips, dry cough, swollen ankles.

If you have fainting spells, breast pang, palpitation, redness of the face, discomfort in sleeping on one side.

The only scientific treatment for this whole train of troubles is Dr. Miles' New Heart Cure.

Dr. Miles' New Heart Cure is the prescription of a famous specialist, whose great success in treating obstinate nervous heart disease has made his name pre-eminent in the medical and scientific world.

The medicine will cure you. We know it. We want you to prove it. If first bottle does not benefit, your druggist will give you back your money.

"I have for several years suffered at times with heart trouble. I got so bad I could not sleep half the night, and had to sit up on the side of the bed lots of times to get breath. Three of my brothers have died of heart trouble, and I thought I was going the same way, but about two and a half years ago I got a pamphlet about Dr. Miles' New Heart Cure and thought I would try a few bottles. After using them I recovered, and have had better health since then than before for several years. I can heartily recommend them for heart trouble."—REV. JERRY HUNT, Pastor Baptist Church, Hurt, Kans.

"DeWitt's is the only genuine Witch Hazel Salve" writes J. L. Tucker, of Centre, Ala. "I have it in my family for Piles, Cuts and Burns for years and can recommend it to be the best Salve on the market. Every family should keep it, as it is an invaluable household remedy, and should always be kept on hand for immediate use." Mrs. Samuel Gage, of North Bush, N. Y., says: "I had a fever sore on my ankle for twelve years that the doctors could not cure. All salves and blood remedies proved worthless. I could not walk for over two years. If prospects "pan out" there will be a number of weddings about North Bend this winter. We hope so, as there has not been one for about four years, yet quite a number of young people live here.

An account of your correspondent attending school at Bowen, the North Bend news has not appeared for some time, but we are through with school for this winter and will try to furnish you the news regular from now on.

Your correspondent received a letter last week from Roy Lockett who was agent on the L. & E. railway at Rosslyn for some time, but who is now operator on the Southern railway at Priddys, Va. He says he prefers Kentucky to Virginia. He will return to Rosslyn in a short time on a visit.

We heard one of our leading citizens say the other that the reason Roosevelt beat Parker was this: Mr. Hubert Hunter, a resident of Rosslyn, who claims

to have owned the famous Democratic rooster, failed to shut the bird up in his coop the night before the election, and he escaped about 12 o'clock and was devoured by a stray hog.

Mr. and Mrs. Sam Wells will go to Kansas City, Mo., about the 15th of January to make that place their future home.

Wine of Cardui Cured Her.

213 South Prior Street, ATLANTA, GA., March 21, 1903.

I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must find speedy relief to regain my health. Having heard Wine of Cardui praised by several of my friends, I sent for a bottle and was certainly very pleased with the results. Within three days my appetite returned and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her functions without difficulty and I am once more a happy and well woman.
